New Year's Message - 2021

I Will Go

Joyful greetings sisters!

We are thankful and blessed to see the New Year 2021. The pandemic year 2020 was unprecedented and presented some of the most difficult challenges we have ever faced in our lives. We praise God that through the many trials of 2020, we also had opportunities and triumphs, key among which was the opportunity to take time to be still also to spend quality time with God, families and friends.

The Women's Ministries also give God thanks for you, sisters, for your unwavering support of the various ministries for women and your demonstration of resilience, strong faith and trust in God.

As we move into the new year, the focus of the Ministry is aligned to the General Conference's theme for 2020-2025 "I Will Go". The Women's Ministries has expanded the theme "I Will Go Reach my World". This means that wherever our world or centre of influence is - at home, work, neighbourhood, general community - we are to reach one person for Jesus. Look out for our mission driven programmes for 2021. We are energized and ready for mission!

“

As we reflect on God's guidance and graciousness in the past, we look forward with great expectancy of His leading in the new year. We also need to continually and prayerfully reflect on these Scriptures and claim the promises.

"Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus. Philippians 4:6-7 KJV

"Put on the whole armor of God, that ye may be able to stand against the wiles of the devil. Ephesians 6:11 KJV

"I can do all things through Christ which strengtheneth me." Philippians 4:13 KJV

"And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be." Revelation 22:12 KJV

The prayer of the Women's Ministries is that we will face each day in the new year with Jesus Christ, that we are continually filled with the Holy Spirit, and we will go where God wants us as the salt of the earth and the light to our world in our neighbourhoods. If we fall or make a mistake, may we rise and get up and ask for forgiveness. May we know that we serve a God who is kind, merciful, forgiving, loving, patient, and a God of second chances. May we sense God's blessings every day and may we continually give Him the thanks and praise.

Love and blessings
