March 3, 2021

Greetings Brothers and Sisters.

The Prime Minister's recent announcement has indicated that effective March 1, 2021, churches should facilitate online worship services. Churches are only permitted to have 10 persons in the building which will include the support services to facilitate online worship.

The leaders of the Andrews Memorial SDA Church, the Spanish Company at Andrews Memorial, and the New Kingston Fellowship, are encouraging members to connect on our YouTube channels for the period March 1 - 22, 2021.

We will continue online only worship services until further advised. We will keep you informed of any further developments.

Please use the opportunity to pray for each other and especially those who are on the front line. Where possible, invite your family members to join in as you worship together.

May the Lord bless you as we navigate these changing times.
